"My loan officer and I had a great relationship from the beginning and I could tell he really cared. He really pumped me up when he told me I had good credit and then made me jump for joy when he said ABNB could save me more than \$520 a month on my mortgage! I am now able to make big payments on my credit card and reduce my debt!"

Recap from our 15th Annual Fishing Fest!

For 15 years, ABNB has held its Annual Fishing Fest event in order to raise funds for the Children's Hospital of the King's Daughters (CHKD). We were able to raise over \$90,000 for the CHKD in 2017!

This year, we decided to change things up with our 2018 F.I.S.H. (Friends In Support of Hope) Fest. This is a year-long set of events to fundraise in support of the CHKD. These events include a paint night, a fish fry, a golf tournament, and of course, the Annual Fishing Fest event.

Our 15th Annual Fishing Fest was held on Friday, June 22nd. Participants gathered at The Rudee Inlet for a half day of fishing on the Chesapeake Bay with lunch provided by Mobile Pig-Nic. Attendees were then taken aboard Captain Jack's Pirate Ship for a leisurely afternoon pirate-themed cruise! Among the attendees were the CHKD's Champion Child and their family. This year, our CHKD Champion Child was 8 year old Ansley. Big thanks to Ansley and her family for attending, along with all of those who came out to support this year's fishing event!

And the great thing is the excitement is not over!
There are still more F.I.S.H. Fest events lined up throughout the year!
